GRAZING PERMITS

GRAZING PERMIT 21744 (Non-Use, Credit and Adjustment of AUM's)

Arthur B. Evans, 142 West 300 North, Parowan, Utah 84761 has requested a credit for 1990 on the above numbered permit. Because of the drought conditions, the BLM required total non-use in the allotment that this permit is in for the 1989-1990 grazing season. Also, due to information received from the BLM, the AUM's on this permit need to be adjusted from 57.14 AUM's to 42 AUM's @ \$1.86/AUM. Therefore, the 1989 grazing fee of \$106.28 plus the \$2.85 Weed fee should be credited to the 1990 billing. Due to the adjustment of AUM's there should be a credit of \$28.16 grazing fee and \$.75 credit weed fee for a total credit of \$28.91 on the 1991 billing.

Upon recommendation of Ms. Whittekiend, Mr. Klason approved non-use for GP 21744 for the 1989-1990 grazing season with credits and adjustments of AUM's as noted above.

GRAZING PERMIT 21656 (Non-Use)

Marvin and Kelvert Button, P.O. Box 573, Kanab, UT 84741 have applied to the Division for non-use on the above permit according to R632-50-8. They are requesting total non-use for the 1990-1991 grazing season to correspond with their federal allotment. The BLM has sent verification that they are imposing non-use because of the drought conditions within the area of this permit. GP 21656 should show as being in non-use for this year with no fees assessed.

Upon recommendation of Ms. Whittekiend, Mr. Klason approved non-use for GP 21656 for the 1990-1991 grazing season.

GRAZING PERMIT 20534 (Deletion of Acreage and AUM's)

The new acreage for this permit will be 1,280 acres equaling 35 AUM's @ \$1.86/AUM plus .05/AUM weed control fee for a total of \$66.85. The \$20.00 amendment fee has been submitted.
